

# RĀRANGI ŪPOKO

## CONTENTS

|   |  |    |
|---|--|----|
| ➤ | <b>Wāhi Tuatahi – Part 1</b>   |    |
|   | <b>He Kupu Whakataki – Introduction</b>                                |    |
|   | 1.1 He Kupu Whakataki Introduction .....                               | 17 |
|   | 1.2 Te Take O Te Mahere Purpose of the plan.....                       | 20 |
|   | 1.3 Ngā Hononga Ki Ētahi Atu Mahere Relationship with other plans.     | 20 |
|   | 1.4 Te Whakatipu I Te Mahere How the plan was developed.....           | 21 |
|   | 1.5 Me Pēhea Te Whakamahi I Te Mahere Nei How to use this Plan .....   | 21 |
|   | 1.6 He Whakatakotoranga Kupu Terminology .....                         | 23 |
|   | 1.7 Ngā Mahere Whenua Mapping .....                                    | 23 |
| ➤ | <b>Wāhi Tuarua – Part 2</b>  |    |
|   | <b>Te Whakatinanatanga – Implementation of this IMP</b>                |    |
|   | 2.1 He Kupu Whakataki Introduction .....                               | 27 |
|   | 2.2 Te Whakatinanatanga Implementation of this IMP .....               | 27 |
| ➤ | <b>Wāhi Tuatoru – Part 3</b>   |    |
|   | Ngāi Tūāhuriri Rūnanga .....   | 32 |
|   | Te Hapū o Ngāti Wheke (Rāpaki) Rūnanga .....                           | 34 |
|   | Te Rūnanga o Koukourārata.....   | 36 |
|   | Ōnuku Rūnanga .....  | 39 |
|   | Wairewa Rūnanga .....  | 41 |
|   | Te Taumutu Rūnanga .....   | 44 |
| ➤ | <b>Wāhi Tuawhā – Part 4</b>  |    |
|   | <b>Ngāi Tahu me ngā Rawa Taiao – Ngāi Tahu and Resource Management</b> |    |
|   | 4.1 He Kupu Whakataki Introduction .....                               | 49 |
|   | 4.2 The cultural framework.....  | 51 |
|   | 4.3 The legal framework .....  | 52 |
|   | 4.4 Tāngata whenua planning tools .....                                | 55 |
| ➤ | <b>Wāhi Tuarima – Part 5</b>   |    |
|   | <b>Ngā take ā-rohe me ngā kaupapa – Regional issues and policy</b>     |    |
|   | <b>5.1 Kaitiakitanga</b>   |    |
|   | Recognition of manawhenua .....  | 62 |
|   | Te Tiriti o Waitangi .....   | 63 |
|   | Effective recognition of kaitiakitanga .....                           | 64 |
|   | Collaboration .....  | 65 |
|   | Leading the way .....  | 65 |
|   | Capacity building .....  | 66 |

## **5.2 Ranginui**

|                                 |    |
|---------------------------------|----|
| Discharge to air .....          | 70 |
| Cultural amenity values .....   | 70 |
| Climate change .....            | 71 |
| Airwave rights .....            | 71 |
| Electromagnetic radiation ..... | 72 |

## **5.3 Wai Māori**

|   |    |
|---|----|
| Tāngata whenua rights and interests in freshwater .....           | 77 |
| Changing the way water is valued .....                            | 77 |
| Priorities for use .....  | 78 |
| Management of water .....   | 78 |
| Statutory Acknowledgements .....                                  | 79 |
| Water quality .....   | 80 |
| Effects of intensive rural land use on freshwater resources ..... | 83 |
| Water quantity .....  | 87 |
| Regional water infrastructure .....                               | 90 |
| Unnatural mixing of water.....                                    | 92 |
| Transfer of water permits .....                                   | 93 |
| Activities in the beds and margins of rivers and lakes .....      | 93 |
| Wetlands, waipuna and riparian margins .....                      | 95 |
| Drain management .....  | 96 |
| Invasive weeds in riverbeds and margins.....                      | 97 |
| Coastal marine area .....   | 98 |

## **5.4 Papatūānuku**

|  |     |
|--|-----|
| Papatūānuku .....                              | 103 |
| Intensive rural land use .....                 | 103 |
| Urban and township planning.....               | 104 |
| Subdivision and development .....              | 105 |
| Papakāinga.....                                | 110 |
| Stormwater .....                               | 111 |
| Waste management .....                         | 112 |
| Discharge to land.....                         | 114 |
| Soil conservation .....                        | 114 |
| Contaminated land .....                        | 115 |
| Earthworks.....                                | 115 |
| Vegetation burning and clearance .....         | 116 |
| Mining and quarrying .....                     | 117 |
| Commercial forestry.....                       | 118 |
| Wilding trees.....                             | 120 |
| Transport .....                                | 121 |
| Energy.....                                    | 122 |
| Fracking .....                                 | 122 |
| Overseas investment and purchase of land ..... | 123 |
| Tenure review .....                            | 123 |

### 5.5 *Tāne Mahuta*

|   |     |
|---|-----|
| Mahinga kai .....                                 | 128 |
| Indigenous biodiversity .....                     | 130 |
| Restoration of indigenous biodiversity .....      | 133 |
| Weed and pest control .....                       | 133 |
| Pest control using 1080 .....                     | 135 |
| Commercial use of indigenous flora and fauna..... | 136 |

### 5.6 *Tangaroa*

|  |     |
|--|-----|
| Statutory Acknowledgements .....   | 143 |
| Coastal water quality .....  | 143 |
| Coastal wetlands, estuaries and hāpua .....                              | 144 |
| Tools to protect customary fisheries<br>and the marine environment ..... | 146 |
| Foreshore and seabed.....  | 149 |
| Coastal and marine cultural heritage.....                                | 150 |
| Coastal land use and development .....                                   | 150 |
| Access to coastal environments .....                                     | 151 |
| Offshore exploration and mining.....                                     | 152 |
| Aquaculture .....  | 153 |
| Beached marine mammals.....  | 154 |
| Freedom camping.....   | 155 |

### 5.7 *Tāwhirimātea*

|                 |     |
|-----------------|-----|
| Wind farms..... | 160 |
|-----------------|-----|

### 5.8 *Ngā Tūtohu Whenua*

|  |     |
|--|-----|
| Recognising cultural landscapes.....     | 164 |
| Ngāi Tahu cultural heritage mapping..... | 166 |
| Wāhi tapu me wāhi taonga .....           | 168 |
| Silent files .....                       | 170 |
| Access.....                              | 171 |
| Ingoa wāhi.....                          | 172 |
| Ngāi Tahu tikanga tūturu .....           | 172 |
| Maunga.....                              | 173 |

## ➤ **Wāhi Tuaono – Part 6** **Ngā take ā-hikuwai me ngā kaupapa – Catchments**

### 6.1 *Hurunui*

|  |     |
|--|-----|
| Shared interest .....                              | 181 |
| Outstanding values .....                           | 181 |
| Pressure on the river .....                        | 182 |
| Effects of land use on lower catchment areas ..... | 183 |
| Hurunui river mouth .....                          | 185 |
| Weed control .....                                 | 185 |
| High country lakes.....                            | 186 |

## **6.2 Waipara and kōwai**

|                                       |     |
|---------------------------------------|-----|
| Managing intensive land use .....     | 191 |
| Over-Allocation .....                 | 192 |
| Water quality .....                   | 193 |
| Mahinga kai .....                     | 193 |
| Hāpua.....                            | 194 |
| Gravel extraction .....               | 195 |
| Willows in riverbeds and margins..... | 195 |
| Viticulture .....                     | 196 |
| Wāhi tapu me wāhi taonga .....        | 196 |

## **6.3 Rakahuri**

|                                |     |
|--------------------------------|-----|
| Customary use .....            | 203 |
| Water quantity .....           | 205 |
| Wetlands and hāpua .....       | 207 |
| Water quality .....            | 207 |
| Cultural landscape values..... | 208 |
| Upper catchment .....          | 209 |

## **6.4 Waimakariri**

|   |     |
|---|-----|
| Water quality.....                          | 215 |
| Lowland streams .....                       | 216 |
| Groundwater.....                            | 217 |
| Subdivision and development .....           | 218 |
| Cultural landscapes.....                    | 219 |
| Water quantity .....                        | 222 |
| Drain management .....                      | 223 |
| High country lakes.....                     | 223 |
| Wilding trees .....                         | 224 |
| Te Riu o Te Aika Kawa /Pūharakeketapu ..... | 224 |

## **6.5 Ihutai**

|   |     |
|---|-----|
| Ngāi Tahu and the urban environment.....  | 233 |
| Subdivision and development .....         | 234 |
| Decline in water quality.....             | 235 |
| Urban wastewater .....                    | 236 |
| Waipuna .....                             | 238 |
| Physical modification of waterways .....  | 238 |
| Loss of indigenous biodiversity.....      | 238 |
| Open space .....                          | 243 |
| Pressures on the coastal environment..... | 243 |

## **6.6 Whakaraupō**

|  |     |
|--|-----|
| Cultural health of the harbour .....           | 251 |
| Lyttelton Port Company (LPC) activities .....  | 253 |
| Waterways and waipuna.....                     | 254 |
| Soil conservation .....                        | 255 |
| Tools to protect customary fisheries .....     | 256 |
| Subdivision and coastal land development ..... | 256 |

|   |     |
|---|-----|
| Cultural landscape values.....                              | 257 |
| Indigenous biodiversity .....                               | 258 |
| Reserves and open space management .....                    | 258 |
| Islands .....   | 259 |
| Structures in the coastal marine area.....                  | 260 |
| <b>6.7 Koukourāata ki Pōhatu</b>                            |     |
| Effects of Land Use on Water .....                          | 266 |
| Kaimoana .....  | 267 |
| Recreational use of the harbour .....                       | 268 |
| Subdivision and development in Koukourāata .....            | 268 |
| Rural and coastal land development .....                    | 270 |
| Cultural landscape values.....                              | 271 |
| Waipuna .....   | 272 |
| Indigenous biodiversity .....                               | 273 |
| Aquaculture .....   | 273 |
| <b>6.8 Akaroa Harbour</b>                                   |     |
| Discharge of wastewater into the harbour .....              | 280 |
| Tools to protect customary fisheries .....                  | 281 |
| Urban, rural, and coastal subdivision and development ..... | 282 |
| Papakāinga housing .....                                    | 284 |
| Waterways and waipuna .....                                 | 284 |
| Contaminated sites .....                                    | 285 |
| Freedom camping .....                                       | 285 |
| Structures in the coastal marine area .....                 | 286 |
| Aquaculture .....   | 286 |
| Ngā rohe wāhi tapu .....                                    | 286 |
| Takapūneke.....   | 290 |
| Ōnawe .....   | 290 |
| <b>6.9 Poranui ki Timutimu</b>                              |     |
| Cultural landscapes.....                                    | 297 |
| Protection of customary fisheries.....                      | 299 |
| Te Putahi .....   | 299 |
| Waterways and waipuna .....                                 | 300 |
| Coastal land development .....                              | 300 |
| Commercial forestry .....                                   | 301 |
| Vegetation clearance .....                                  | 301 |
| Indigenous biodiversity .....                               | 302 |
| Aquaculture .....   | 302 |
| <b>6.10 Te Roto o Wairewa</b>                               |     |
| Cultural health of the lake.....                            | 310 |
| Lake level management .....                                 | 312 |
| Cultural health of waterways.....                           | 313 |
| Māori Reserve Land .....                                    | 314 |
| Subdivision and residential development .....               | 314 |
| Restoring important places .....                            | 315 |

|  |            |
|--|------------|
| Wāhi tapu me wāhi taonga .....                             | 317        |
| Climate change .....                                       | 317        |
| <b>6.11 Te Waihora</b>                                     |            |
| Governance and management .....                            | 324        |
| Ngāi Tahu as owner of the lakebed .....                    | 324        |
| Te Waihora Joint Management Plan .....                     | 325        |
| Cultural health of Te Waihora .....                        | 325        |
| Lake level management .....                                | 329        |
| Mahinga kai .....  | 331        |
| Cultural health of lowland waterways and groundwater ..... | 333        |
| Wetlands, waipuna and riparian margins .....               | 335        |
| Wāhi tapu me wāhi taonga .....                             | 335        |
| Coastal erosion .....                                      | 336        |
| Kaitōrete Spit .....                                       | 336        |
